

## MIG-T - Issues

| #    | Status            | Priority | Subject   | Assignee          | Updated              | Author                  | Tracker                |
|------|-------------------|----------|---|-------------------|----------------------|-------------------------|------------------------|
| 2749 | New               | Normal   | Additional media types used for spatial data sets   | Michael Lutz      | 08 Apr 2016 08:21 am | Daniela Hogrebe         | Feature                |
| 2707 | Work in progress  | Normal   | Analysis of access control to INSPIRE services  | Robin S. Smith    | 06 Apr 2016 03:16 pm | Michael Lutz            | Task                   |
| 2981 | Work in progress  | Normal   | Collect approaches for identifying open data (and other categories of data) in national discovery services                    | Robert Tomas      | 09 Jun 2017 04:06 pm | Michael Lutz            | Task                   |
| 2373 | New               | Normal   | Collect best practices and guidelines on PIDs   | Christian Ansorge | 02 Dec 2015 09:31 am | Michael Lutz            | Task                   |
| 2396 | New               | Normal   | Communication within INSPIRE  | Christian Ansorge | 25 Mar 2015 05:31 pm | Christian Ansorge       | Discussion             |
| 2910 | Open              | Normal   | Control body for the central INSPIRE registers and INSPIRE register federation  | Michael Lutz      | 28 Sep 2018 02:21 pm | Michael Lutz            | Call for participation |
| 2170 | Submitted         | Normal   | Could we use "INSPIRE Metadata for Dummies, the French guidelines for metadata are in English" as a basis for good practices? | Marc Leobet       | 10 Dec 2014 01:29 pm | Marc Leobet             | Discussion             |
| 2368 | New               | Normal   | Draft a mapping from Network services IRs (download, view, transformation) to TJS   | Michel Grothe     | 16 Mar 2015 03:55 pm | Michael Lutz            | Task                   |
| 2365 | New               | Normal   | Draft release plan for update of download services TGs  | Alexander Kotsev  | 16 Mar 2015 03:49 pm | Michael Lutz            | Task                   |
| 2698 | New               | Normal   | Elaborate INSPIRE architecture / domain model   | Joeri Robbrecht   | 18 Feb 2016 10:56 am | Michael Lutz            | Task                   |
| 2371 | Work in progress  | Normal   | Feedback on proposed ARE3NA activities on AAA (access control)  | Robin S. Smith    | 26 Nov 2015 10:00 am | Michael Lutz            | Task                   |
| 2162 | Feedback          | Normal   | How to deal with corrigenda to TGs  | Michael Lutz      | 10 Dec 2014 01:29 pm | Michael Lutz            | Discussion             |
| 2877 | Work in progress  | Normal   | Inform about INSPIRE-relevant standardisation activities  | Michael Lutz      | 24 Nov 2016 03:16 pm | Michael Lutz            | Task                   |
| 2696 | New               | Normal   | Inform MIG-T about updated Geonetwork version supporting additional INSPIRE metadata elements                                 | Markus Jobst      | 24 Aug 2017 09:49 am | Michael Lutz            | Task                   |
| 2385 | Work in progress  | Normal   | INSPIRE data sets and services for a pan-European gazetteer (for the European ODP)  | Michael Lutz      | 22 Jan 2016 10:17 am | Michael Lutz            | Task                   |
| 2204 | Submitted         | High     | Metadata - Strategic decision on the use of 19115 (current ISO standard) and 19115-1  | Michael Lutz      | 10 Dec 2014 01:29 pm | Alex Ramage             | Bug                    |
| 2133 | Under elaboration | Normal   | MIWP-11: Simplification and clarification of GML encoding for spatial data  |                   | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2134 | Under elaboration | Normal   | MIWP-12: Clarification of UML-to-GML encoding rules   |                   | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2418 | Open              | Normal   | MIWP-14 Temporary sub-group on Thematic Clusters  | Robert Tomas      | 26 Jan 2017 02:24 pm | Robert Tomas            | Call for participation |
| 2137 | Proposed          | Normal   | MIWP-15: Overview of INSPIRE coordinating structures, architectures and tools   | Michael Lutz      | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2139 | Proposed          | Normal   | MIWP-17: Data and service sharing & licencing models  | Darja Lihteneger  | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2419 | Work in progress  | Normal   | MIWP-18a: Annex I xml schema updates  | Michael Lutz      | 28 Jul 2016 02:09 pm | Michael Lutz            | MIWP-Action            |
| 2420 | Proposed          | Normal   | MIWP-18b XML schema maintenance   | Michael Lutz      | 27 Apr 2015 06:07 pm | Michael Lutz            | MIWP-Action            |
| 2141 | Proposed          | Normal   | MIWP-19 Explore and improvement on the situation of controlled vocabularies in the framework of INSPIRE                       | Christian Ansorge | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2115 | Proposed          | Normal   | MIWP-1: Improve accessibility and readability of TG   | Michael Lutz      | 10 Dec 2014 01:29 pm | Michael Lutz            | MIWP-Action            |

| #    | Status            | Priority | Subject  | Assignee                | Updated              | Author                  | Tracker                |
|------|-------------------|----------|--|-------------------------|----------------------|-------------------------|------------------------|
| 2142 | Proposed          | Normal   | MIWP-20: Improved guidelines for harmonised layer names  | Benoit David            | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2445 | New               | Normal   | MIWP-21: Pilots for INSPIRE-based applications   | Vanda Nunes de Lima     | 24 Jul 2015 03:31 pm | Michael Lutz            | Discussion             |
| 2124 | Under elaboration | Normal   | MIWP-2: Create and maintain FAQ page   | Michael Lutz            | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2125 | Under elaboration | Normal   | MIWP-3: Guidelines and best practices for access control   | Michael Lutz            | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2126 | Under elaboration | Normal   | MIWP-4: Managing and using http URIs for INSPIRE identifiers   | Michael Lutz            | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2402 | Proposed          | Normal   | MIWP-7b: Extension of Download Service Technical Guidelines for Web Coverage Services (WCS)              | Jukka Rahkonen          | 06 May 2015 09:36 am | Michael Lutz            | Discussion             |
| 2130 | Work in progress  | Normal   | MIWP-8: Update of Metadata TG  | Michael Lutz            | 25 Jan 2017 06:30 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2131 | Proposed          | Normal   | MIWP-9: Future directions for INSPIRE geoportal  | Michael Lutz            | 10 Dec 2014 01:29 pm | Lorena Hernandez Quiros | MIWP-Action            |
| 2211 | Submitted         | Normal   | New work package for the MIWP?: Technological developments - status and challenges                       |                         | 10 Dec 2014 01:29 pm | Arvid Lillethun         | Discussion             |
| 2911 | Open              | Normal   | Nomination of submitting organisations for the central INSPIRE registers and INSPIRE register federation | Daniele Francioli       | 15 Nov 2018 04:41 pm | Michael Lutz            | Call for participation |
| 2504 | New               | Normal   | Proposal for discussion topics for the MIG-T meeting, Rome, Dec. 2015                                    |                         | 30 Sep 2015 03:18 pm | Christian Ansorge       | Discussion             |
| 2454 | New               | Normal   | Proposals for discussion topics for MIG-T meetings   | Michael Lutz            | 22 Nov 2015 01:14 pm | Michael Lutz            | Meeting                |
| 2381 | Work in progress  | Normal   | Propose ToR for a subgroup around GML  | Michael Lutz            | 18 Apr 2016 05:38 pm | Michael Lutz            | Task                   |
| 2382 | New               | Normal   | Provide translations of TG code list values  | Lorena Hernandez Quiros | 05 Jun 2015 09:26 am | Michael Lutz            | Task                   |
| 2231 | Proposed          | Normal   | Suggestions for improvement of and instructions for MIG-T Redmine instance                               | Michael Lutz            | 10 Dec 2014 01:29 pm | Michael Lutz            | Discussion             |
| 2245 | Proposed          | Normal   | Tasks of the MIG-T (and MIG-P)   | Michael Lutz            | 10 Dec 2014 01:29 pm | Michael Lutz            | Discussion             |
| 2163 | Submitted         | Normal   | Update MIG Redmine configuration   | Michael Lutz            | 16 Mar 2015 12:09 pm | Michael Lutz            | Support                |
| 3025 | New               | Normal   | Usage of data set series in INSPIRE implementation and metadata  | Robert Tomas            | 30 Oct 2017 02:56 pm | Michael Lutz            | Discussion             |
| 2970 | New               | Normal   | [inspire-tg-metadata-iso19139-2.0.1] - Annex G   |                         | 30 Mar 2017 10:35 am | Tomas Kliment           | Bug                    |
| 2971 | New               | Normal   | [inspire-tg-metadata-iso19139-2.0.1] - Invalid Conformity declaration examples                           |                         | 30 Mar 2017 11:04 am | Tomas Kliment           | Bug                    |
| 2969 | New               | Normal   | [inspire-tg-metadata-iso19139-2.0.1] - Spatial Resolution: Interval of Distances                         |                         | 30 Mar 2017 10:31 am | Tomas Kliment           | Bug                    |
